Hi Mike,

I spoke to Lin and he confirmed that if the content owner of any webcms site asks webcms support for help to bulk un-publish a website, we can assist the content owner.

But we need the content owner or Danny or someone to make the request in writing.

Thanks

## EPA HQ Bicycle Commuting Program

WJC South & North Special Edition

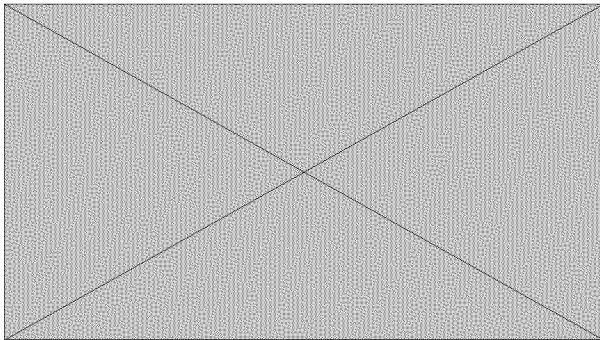

(March 27, 2017)

**SOUTH COURTYARD CLOSED BY SECRET SERVICE FOR PRESIDENTIAL  
VISIT ALL DAY WEDNESDAY**

**No Bike Parking March 27 & 28**

Dear Susan,

Just a quick reminder that the south/east courtyard will be closed all day on Wednesday for the President to show up and sign the No-Clean-Power-Plan Executive Order.

We recommend parking in the North Courtyard, which will remain open, we're told. If the racks fill up there, please use the public racks located around Federal Triangle. [Here is a map](#) of parking locations in the Federal Triangle area.

Facilities hopes to have the WJC South racks back in place for the morning commute on Wednesday, March 29. If you need access to the Reagan Building bike room parking, please email me at [ruske.ross@epa.gov](mailto:ruske.ross@epa.gov) or call me at 202-564-1033.

Ross

- Julie Rosenberg, [rosenberg.julie@epa.gov](mailto:rosenberg.julie@epa.gov)
- Ross Ruske, [ruske.ross@epa.gov](mailto:ruske.ross@epa.gov)

For fastest response, email all coordinators simultaneously. Remember, however, if there are problems with the room (lights out, temperature, cleaning, etc.), please help the coordinators out by reporting the problems yourself to building services at 202-564-2100.
